## VERSUS THE PAID SUITES

|                            | MyPDF | PAID |
|----------------------------|-------|------|
| Costs nothing              | ✓     | ✗    |
| Works with no sign-in      | ✓     | ✗    |
| Files stay on your PC      | ✓     | ✗    |
| No watermark on export     | ✓     | ✗    |
| Real redaction included    | ✓     | ✗    |
| Share the installer freely | ✓     | ✗    |

"Paid" = the typical subscription PDF suite.
